

Please keep the DO NOT CALL LIST AS IS FOR WISCONSIN.

Also please increase the rules and regs for the MAIL MEDIA JUNK MAIL. Why must the general public get this junk. We do not ask for it, we do not want it and do not ask for it. My amount of junk mail is terrible. Where can I go to get it sent to you folks if you want it so badly. I DO NOT WANT IT. I can call, write, look for what I want. I do not need to be told, badgered, harrassed, get repeated calls or mail propaganda by at least 5 times for every bank, credit card or other harrassment.
